- **For anyone 12 years or older**
 - We will be administering the Pfizer COVID-19 vaccine which is currently approved for ages 12 and up
- **3rd doses for moderately to severely immunocompromised**
 - **3rd doses** will be available at least 28 days after the completion of either a Pfizer or Moderna vaccine series for those that are moderately to severely immunocompromised
- **Booster doses of Pfizer**
 - **Booster** doses of Pfizer vaccine will be available for the groups below and must be at least 6 months **after the completion of a 2-dose series of Pfizer vaccine** (currently there are no CDC recommendations following vaccination with Moderna or J&J vaccines)
 - Adults age 65+
 - Adults age 18-64 with an increased risk of developing severe disease due to a coexisting medical condition
 - Adults age 18+ with an increased risk of contracting Covid-19 due to occupational setting
 - If receiving a booster please bring proof of prior vaccination (CDC card or other documentation)

We have partnered with VaxinateRx and Healthcare Family Pharmacy to offer Covid vaccines at Tyngsborough Middle School on 10/27 from 4pm to 6pm.

- For anyone under the age of 18 a consent form signed by a parent/guardian must be presented in order to receive a vaccine
 - Parent/guardian does not need to be present as long as the child has a signed consent form
 - A link to the consent form will be emailed after registering (if you do not receive this check your spam folder)
 - The consent form can also be printed from the forms section on our website www.VaxinateRx.com
- Please plan on staying for 15 minutes after being vaccinated (30 minutes for anyone who has had a prior anaphylactic reaction to any medication)
- Vaccination is free for everyone regardless of insurance coverage
